JOIN US IN NORFOLK, VA!

NARA's Annual Licensing Seminar is the premier event for human care regulators and providers to come together to network, share best practices, and gain new strategies for improving their regulatory practices. The Annual Licensing Seminar provides attendees – including state administrators, policymakers, program managers, field inspectors, researchers, advocates, and providers – the chance to participate in educational sessions and discussions on a broad range of regulatory topics that are important to all licensing disciplines and professional positions. NARA's Annual Licensing Seminar provides many opportunities for your organization to connect with 300+ industry professionals for face time, networking, prospecting, and feedback. Breaks are strategically scheduled throughout each day to provide time for valuable interactions between supporters and attendees.

This year's theme, **“Anchored in Excellence: Improving the Lives of Others,”** highlights the commitment of regulatory professionals to prioritize protection through prevention even amid waves of change.

We invite you to join us in Norfolk as an exhibitor, sponsor, and/or advertiser, and be part of the conversation and collaboration at the 2025 NARA Annual Licensing Seminar.
