

I have a Master's Degree in Social work and over 20 years of experience working in the health and human services fields at the national and state level. My career includes a range of regulatory experiences, I have had direct responsibility for state child care regulations and oversight of regulatory staff. In addition, I was responsible for conducting assessments and licensing foster parents. I also oversaw an adult guardianship program. I am a single mother of a spectacular daughter who has kept me on my toes for 17 years.
